Create a Walk-Away
Residual Income in
the LOCAL City
Places Merchant
Sponsor Partner
Program.

My name is Troy Warren and I think I have created one of the most unique and uncommon ways to create a second income without getting a second job.

TROY WARREN
BEHIND THE EDITOR'S DESK

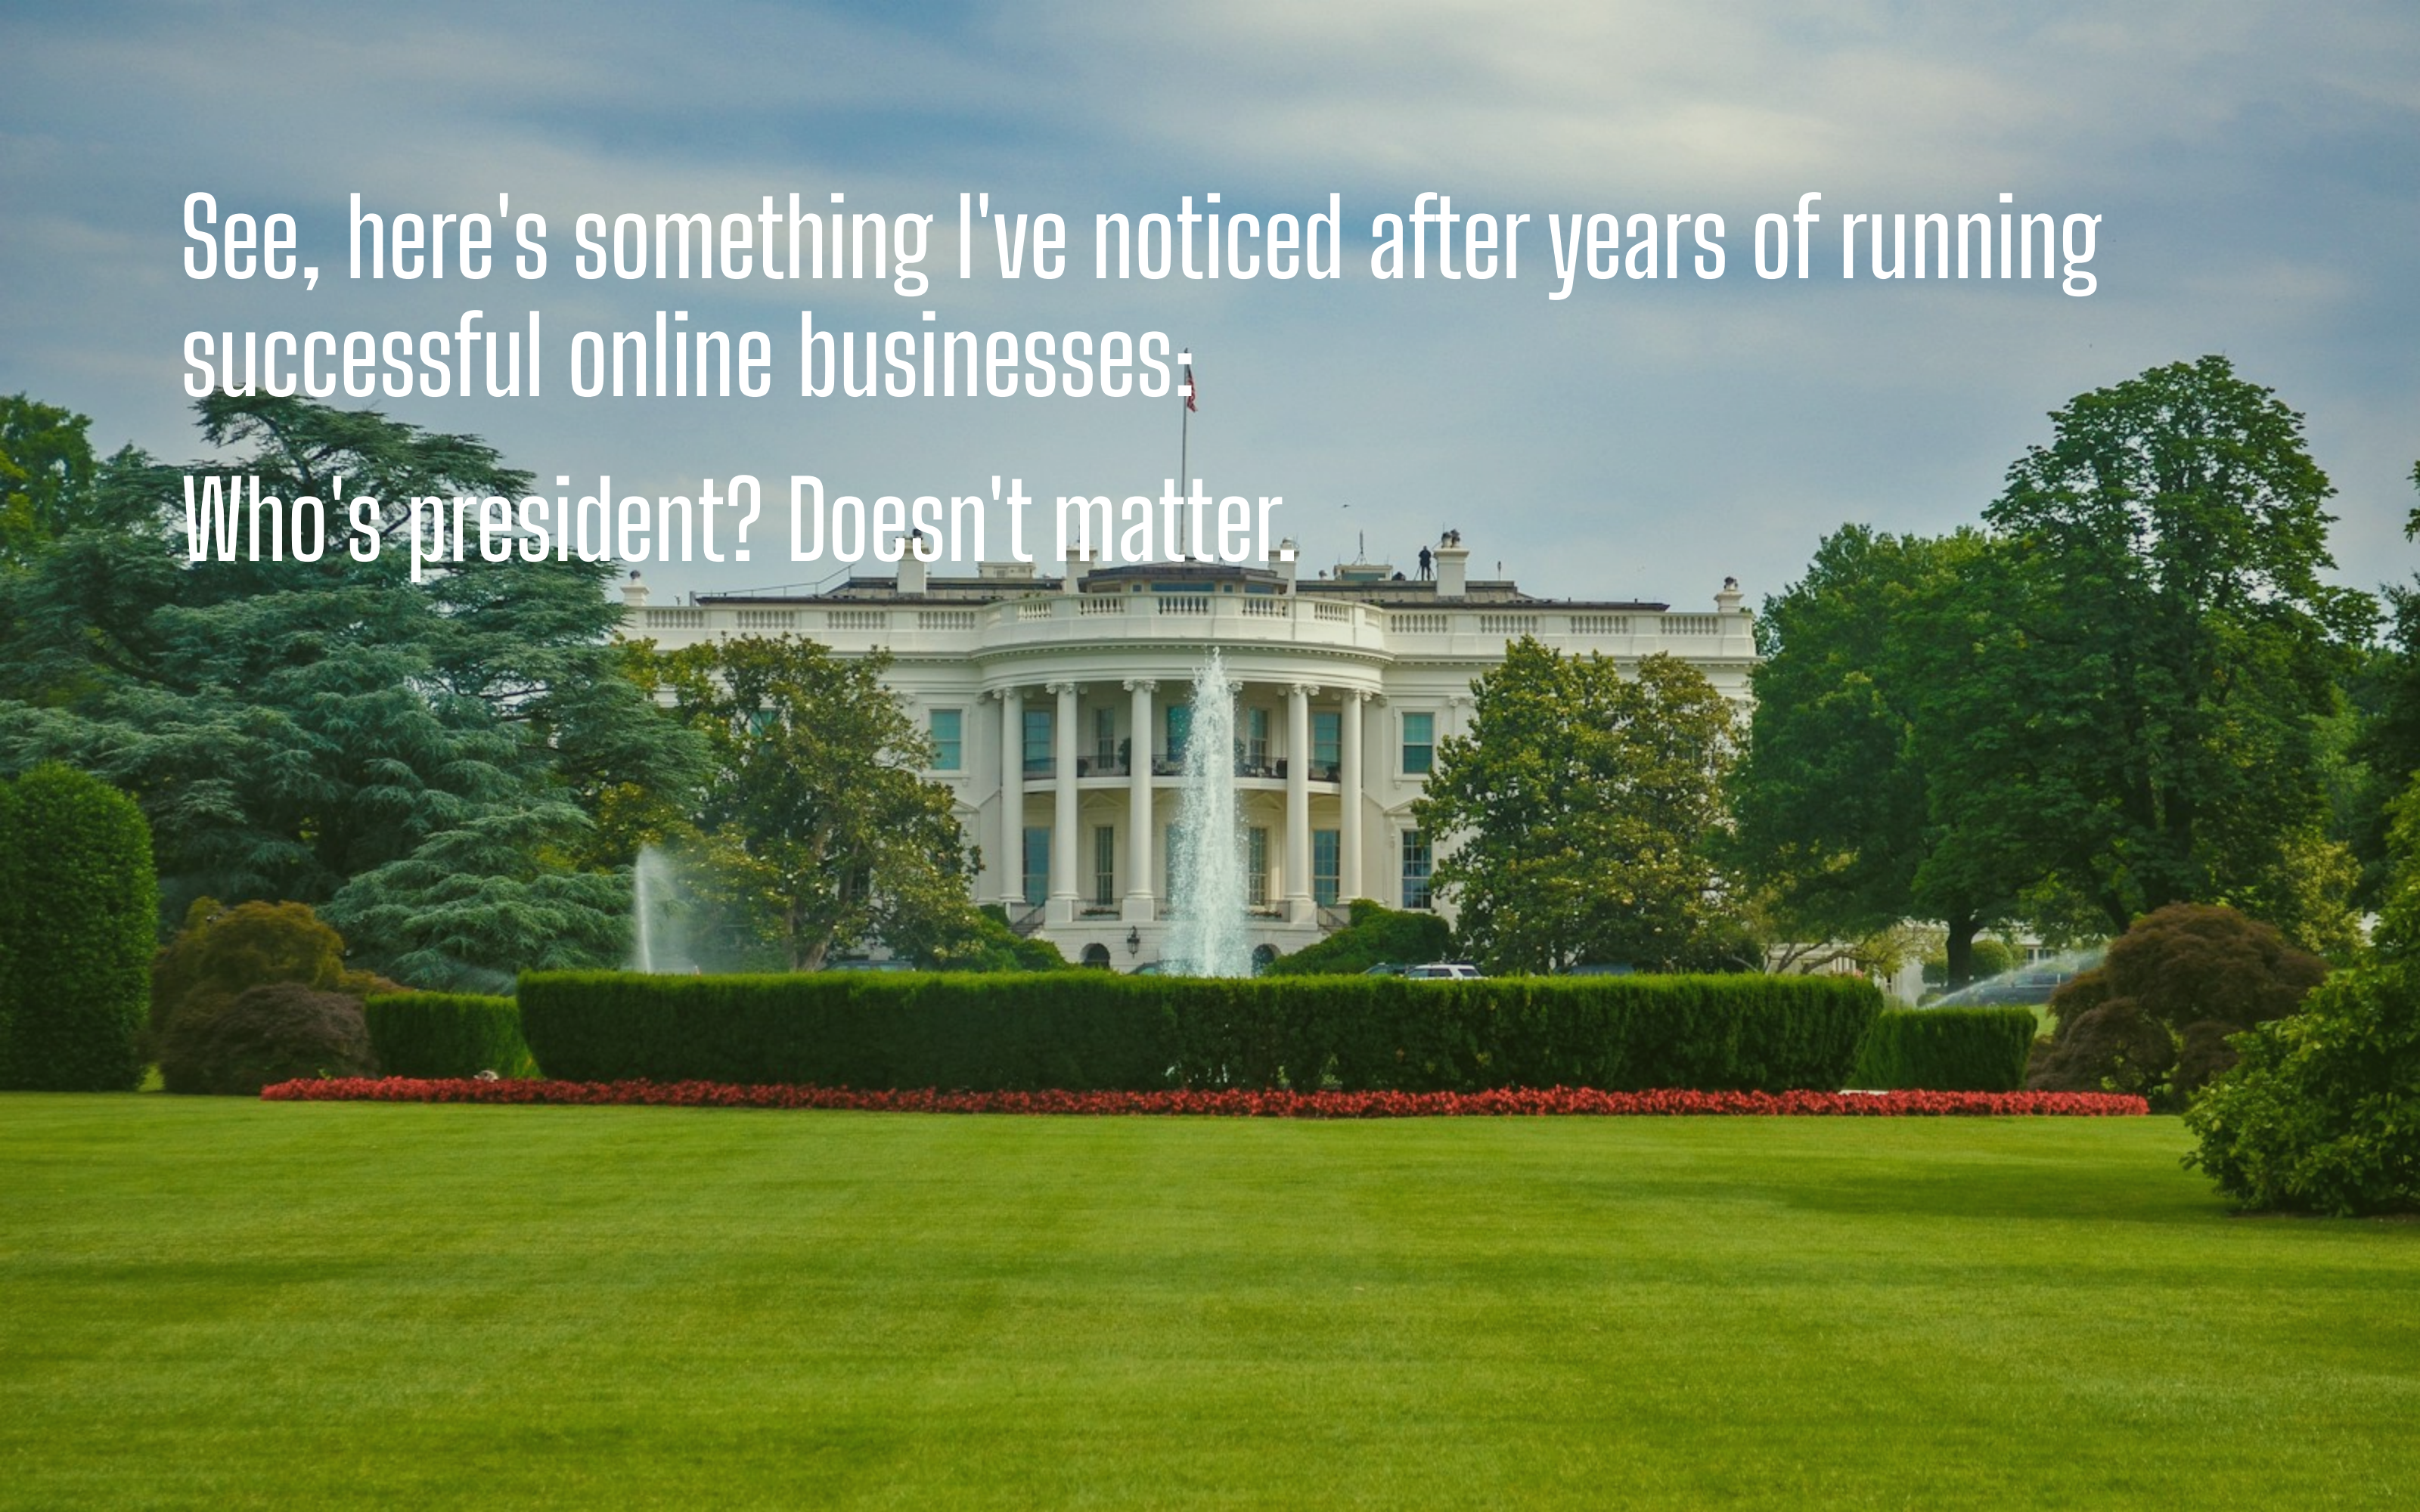

While the world seems to be falling apart at the seams, plus the news and social media are exhausting; Everyone is screaming about everything. Politics. Economy. Drama. Fear. And you know what's crazy?

**NONE OF IT
ACTUALLY
MATTERS.**

See, here's something I've noticed after years of running successful online businesses:

Who's president? Doesn't matter.

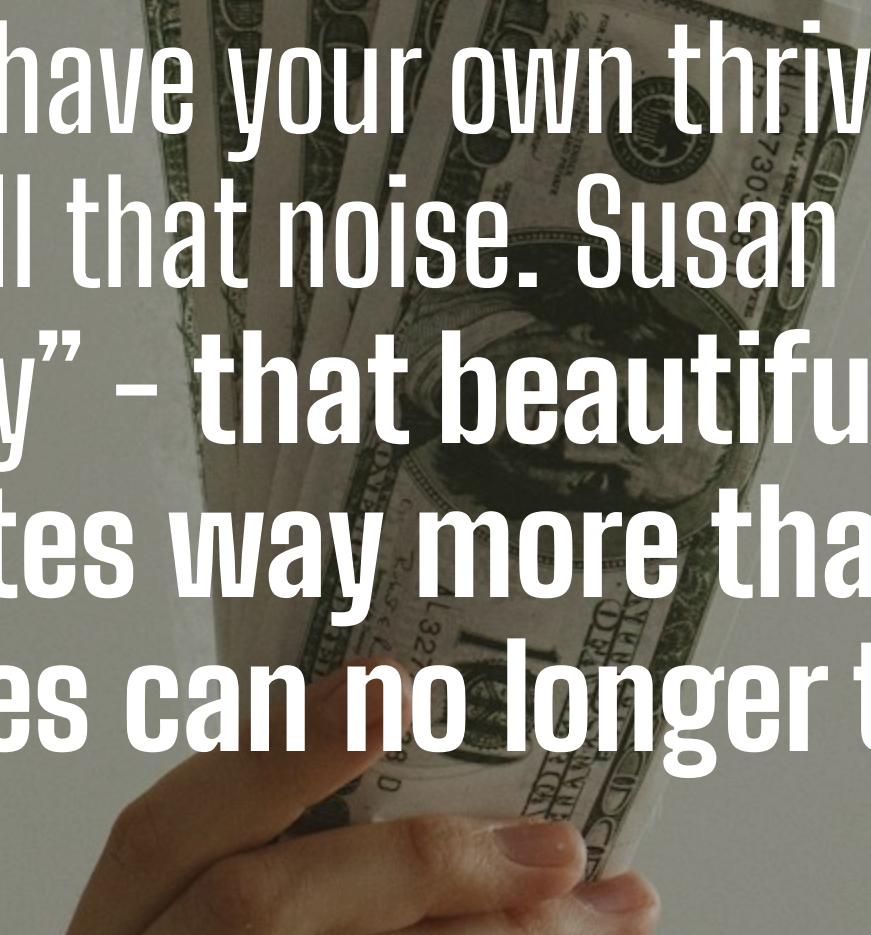

**WHAT'S THE MEDIA
FREAKING OUT ABOUT?
DOESN'T MATTER**

LATEST CRISIS?
DOESN'T MATTER.

A hand is shown holding a fan of several US dollar bills, likely \$100 bills, against a plain, light-colored background. The bills are fanned out, showing their edges and some details like the portrait of a man. The lighting is soft, highlighting the texture of the paper and the skin of the hand.

Because when you have your own thriving business . . .
. You're free from all that noise. Susan A calls it (VERY blunt I know) "F-you money" - that beautiful point where your business generates way more than enough money and outside forces can no longer touch or affect you.

**NO MORE
DISTRACTIONS,
FEAR, OR NOISE.**

**Just you, focused on what
matters most:**

**Your family. Your goals. Your
freedom.**

And that's exactly what we help people create as a Merchant Sponsor Partner here at LOCAL City Places.

A business that runs on its own. That generates real wealth. **That gives you true freedom.** HOW You Might Ask?

Here's the backstory on LOCAL City Places. Pay close attention NOW as you will read and hear about something that will change and upgrade people's lives.

Quite simply, LOCAL City Places helps Brick & Mortar type businesses all across the United States acquire NEW customers and engaging current customers while decreasing advertising expenses by 50% or MORE, plus INCREASING Revenues by 50% or MORE.

LOCAL City Places works with each Merchant on a "performance" basis. Meaning NO MONEY upfront. All marketing campaigns are a 95% | 5% split of transaction revenues, plus Merchants pay a monthly platform fee of \$495 (that is deducted from their proceeds).

This is what we call BETTER THAN RISK FREE.

This is where you come in as a Merchant Sponsor Partner. Because the Merchant starts for \$0, you have the "OPPORTUNITY" to assist LOCAL City Places to scale the effort fulfilling Merchant campaigns at warp speed. As a Merchant Sponsor Partner you pay \$247.50 to Sponsor any Merchant assigned by LOCAL City Places (per a written agreement)

During the first 30 day campaign of the Merchant, the Merchant Sponsor Partner receives 100% of the first month platform fee (\$495) from the Merchant.

Congratulations to the Merchant Sponsor Partner! They just made \$247.50 and put their original \$247.50 back in their pocket.

BETTER STILL . . .

From the second month forward for the life of the Merchant, the Merchant Sponsor Partner receives 10% of the \$495 per month platform fee or \$49.50.

Most Merchants are long term and many of them will be on the platform for years.

Some Merchant Sponsor Partners just want to cover a car payment and some want to replace their income. All of that is possible depending on your desire and goals. It does not matter the number of Merchants you sponsor at first. You can start with ONE or you can start with many. That is solely up to you!

BONUS

If on your first time of sponsoring Merchants, you sponsor 3 Merchants you receive 1 BONUS sponsorship.

And you NOW are grandfathered in and every time you come back to sponsor Merchants you can always get the 3+1 BONUS.

Want a bigger income: Sponsor 6 Merchants and get 2 BONUS Merchants, Sponsor 9 Merchants and get 3 BONUS Merchants etc.
